The Progressive • Volume 33 • 1969

SECTION I lists authors and subjects, followed by date of issue and page number. For example, Dec. 19 is page 19 of the December issue.
SECTION II lists books reviewed, arranged alphabetically by author, with reviewer in parenthesis, followed by date of issue and page number.

EDITOR'S NOTE ON THE INDEX

The June 1969 issue is a special number devoted entirely to a single theme:

THE POWER OF THE PENTAGON

Historic Dialogue on Foreign Policy and National Priorities

The issue is largely the transcript of a Congressional conference held in March in Washington. The give and take of the dialogue does not lend itself to the standard index format, and this issue is therefore not included in the 1969 Index. The subject matter is indicated by the title. Participants in the Conference were:

Richard Barnet
George Brown, Jr.
Phillip Burton
John Conyers, Jr.
Robert C. Eckhardt
Don Edwards
Richard Falk
William Wallace Ford
Donald M. Fraser
J. William Fulbright
